# KEEP YOUR BODYWORK LOOKING GOOD FOR SUMMER...

At **kerr & smith** we know that your car is one of the most important things you own so, to help you care for it, we have a great range of offers on car care products this summer.

## Super Resin Polish (325ML)

Long term beauty treatment for all paint types including metallic, clearcoat and waterbased paint finishes. Imparts a tough, glossy protective barrier to preserve expensive paintwork from harsh environment.

**K&S PRICE £6.99**  
HALFORDS RRP £7.49

## Active Insect Remover (500ML)

Concentrated foam designed to rapidly dissolve squashed insect remains from vehicle bodywork, windscreens and headlights. Spray onto surface to be cleaned. Allow approximately 30 seconds for insect remains to soften. Wipe off surface with a soft cloth; Autoglym Perfect Polishing Cloth is ideal.

**K&S PRICE £9.99**  
HALFORDS RRP £10.99

## Fast Glass (500ML)

Autoglym Fast Glass can also be used on interior plastics to remove dust, and on paintwork to safely remove insects, tree sap and bird droppings if immediate washing is inconvenient.

**K&S PRICE £5.99**  
HALFORDS RRP £6.99

## Clean Wheels (500ML)

Autoglym Clean Wheels is a super effective spray on, brush and wash off cleaner which rapidly dissolves most contaminants from alloy, chromium, painted and plastic trimmed wheels. Do take special care to use this product carefully. If you have non standard or anodized wheel surfaces, or only superficial road grime, use Autoglym Custom Wheel Cleaner instead.

**K&S PRICE £5.99**  
HALFORDS £6.49

## Instant tyre dressing (500ML)

Stained, weathered tyres spoil the look of an otherwise immaculate presentation. A quick spray with Autoglym Instant Tyre Dressing is all you need to achieve the transformation to new looking tyres that will enhance the appearance of your vehicle. For an attractive sheen simply spray and leave to dry. If you prefer a more natural look, remove surplus spray with a cloth before drying occurs.

Please note that due to the slippery characteristics of this product it should never be used on tyre treads or on motorcycle tyres.

**K&S PRICE £6.99**  
HALFORDS RRP £7.49

A sparkling clean car not only looks great but also helps protect the bodywork.

## Body Shampoo Conditioner (500ML)

Removes traffic film and assists in preserving a great finish. Contains a water repellent barrier to protect and extend Autoglym polishes.

**K&S PRICE £5.99**  
HALFORDS RRP £6.99

## Aqua Dry (Synthetic Leather)

Autoglym Aqua-Dry is synthetic leather with a unique structure which actually outperforms natural chamois leathers. It is super absorbent, easier to wring out, faster to use, longer lasting and less expensive. Regularly washing your vehicle with Autoglym Bodywork Shampoo Conditioner, followed by a quick wipe with an Aqua-Dry, preserves the smooth glossy finish imparted by Autoglym Super Resin Polish

**K&S PRICE £8.99**  
HALFORDS £8.99
